

Social Media Content Plan

Business Name: The Foodies

Business Introduction

The Foodies is a modern restaurant that serves both fast food and desi food under one roof. The restaurant focuses on quality, taste, and customer satisfaction by offering fresh and flavorful meals in a friendly environment. It is a perfect place where people can enjoy delicious food with family and friends at any time.

Target Audience

The target audience of The Foodies includes students, families, and young individuals aged 16 - 40 living in ABC and nearby areas. They prefer affordable, tasty food and are active users of social media platforms such as Instagram, Facebook, and TikTok.

Marketing Goals

- Increase brand awareness
- Increase social media followers
- Increase customer engagement
- Increase sales and customer base
- Improve customer satisfaction
- Promote high-quality and tasty food
- Offer affordable pricing
- Ensure excellent customer service

Content Strategy (Weekly Plan)
